

Touch all in one PC TOP90C

Windows 7 Windows 10 Android Linux

Main features:

- ◆ Integrated Intel 5th generation mobile Broadwell-U single-chip CPU;
- ◆ Integrated 2GB/4GB DDR3L memory;
- ◆ Onboard 16/32/64G SSD (optional);
- ◆ 21.5 inch LED display;
- ◆ Support capacitive touch screen;
- ◆ 1*HDMI and 1*VGA display interface;
- ◆ 2*USB3.0 interface and 4*USB2.0 interface;
- ◆ 1*RJ45 Gigabit network interface;

Specifications

processor	CPU	Intel® CoreTM fifth generation Broadwell-U Soc i3/i5/i7 processor
	RAM	Integrated 2GB\4GB DDR3 1066/1333/1600MHz, can add 1 slot, maximum expansion of 12GB memory
	storage	Onboard SSD16/32/64/128G (optional), SATA and MSATA, HDD and SSD (optional)
	Network (LAN)	1*RTL8111E RJ45 Gigabit Network Interface
	I/O interface	2*USB3.0 and 4*USB2.0, 1*LINE OUT 1*MIC, 1*DC interface 1*VGA Maximum resolution support 2048x1536 1*HDMI Maximum resolution support 3200*2000@60HZ
	Bus extension	1* full size Mini-PCIE slot
	Watchdog timer	0~255 seconds, providing a watchdog routine
Physical characteristics	size	510*425*55mm
	weight	5.50kg
OS support	operating system	Support Windows 7/Windows8/Windows8.1/Windows10/Linux/Android
Power support	Input voltage	Single input DC DC12V power supply +/- 5%
	Power consumption	35W
LCD display	Display type	21.5 TFT LED
	Maximum resolution	1920×1080
	Perspective	85/85/80/80 (up/down/left/right)
	Lumens (cd/m²)	350cd/m²
	Contrast	1000:1
	Backlight life	30,000 hrs (Min.)
surroundings	Operating temperature	-20°C ~ +60°C
	Storage temperature	-40°C ~ +85°C
	Relative humidity	0% ~ 90% relative humidity, no condensation
	EMC	CE, FCC Class B, BSMI
